FIVE QUESTIONS TO ASK YOUR AUDIOLOGIST

1

Can you tell me more about what my hearing loss results mean? Decibels? Frequencies?

2

What level is my hearing loss?

3

How does that affect how I understand speech?

4

Can you please recommend models of hearing aids from various brands and share a comparison of these hearing aids?

5

Which is best for me based on my budget? What are the pros/cons of this hearing aid?
