MILD to MODERATE HEARING LOSS

REFERRAL to an AUDIOLOGIST

Your test results reveal a possible **MILD to MODERATE HEARING LOSS**. We are REFERRING you to our partner AUDIOLOGIST for a full hearing work up. We encourage you to make an appointment with our partner audiologist right away and continue with annual hearing exams.

CHECKLIST TO HELP ME HEAR LIFE CLEARLY AGAIN:

- ___ For mild-to-moderate hearing loss, we recommend you start with a full audiological hearing evaluation at an Audiologist near you. We have clinic finders on our website: SongsForSound.org
- ___ Call your HEALTH INSURANCE PROVIDER to see which Audiologist is covered & ask if you need a referral from your primary physician.
- ___ If mild to moderate hearing loss is the Audiologist's findings, first speak with our partner **Eargo**. They have Audiologists on staff, nearly invisible hearing aids and very affordable pricing.
- ___ Always make an appointment when your hearing changes or worsens and see an ENT.
