

# CARE TEAM IS "HEAR" TO HELP

**CUSTOMER SERVICE**

**OUR CARE TEAM IS YOUR FAMILY'S  
HEARING PARTNER FOR A LIFETIME.**

**AWARENESS & INFORMATION:** Our Care Team will listen, empower and educate you before you head to an Audiologist. You are in control of your hearing journey.

**YOU NEED THE RIGHT AUDIOLOGIST FOR YOU:** Location, bedside manner and personalities need to be a good match for you.

**AFFORDABILITY IS KEY.** Our Care Team wants to help you review insurance and your budget to review the best plan including hearing technology in case they're recommended by your audiologist.

**CONNECTION & COMMUNICATION** is the key to you living your best life! Our Care Team will listen talk to you about your lifestyle and more. **OUR GOAL IS YOU LIVE YOUR BEST LIFE!**

**Please do not go to an Audiology appointment without consulting your Care Team Partner first!**

# CARE TEAM IS "HEAR" TO HELP

**CUSTOMER SERVICE**

**OUR CARE TEAM IS YOUR HEARING PARTNER  
FOR A LIFETIME.**

**DID YOU KNOW?** Over 500 Million People worldwide have a disabling hearing loss, but only 10% are getting the help they need?

Untreated hearing loss can lead to memory loss, depression and feelings of isolation.

Many think hearing aids aren't affordable. Because of the increased demand, there are many ways you can afford hearing aids and also get great technology.

Most people go into their Audiology appointments unprepared and leave feeling more confused than before. Our Care Team will prepare you and educate you so YOU are in control of your hearing!

**Please do not go to an Audiology appointment without consulting your Care Team Partner first!**

# WE NEED TO BOOK YOUR CHILD'S FULL HEARING CHECK UP

1

What bothers me the most about my hearing loss?

2

What type of Audiologist do I want?

3

What are the things I want to hear the most? What do I miss?

4

What do I want out of a hearing aid?

5

Am I ready to take the next steps to live life to the fullest again?
