

You're being referred to an Audiologist/Hearing Clinic: Mild-to-Moderate Hearing Loss Checklist & Next Steps

SONGS for SOUND

Hearing Test Results: *Hearing loss detected*

REFERRED to an AUDIOLOGIST

Your test results reveal a possible hearing loss

We are referring you to one of our partner audiologists in our network.

CHECKLIST TO HELP ME HEAR LIFE CLEARLY AGAIN:

- Ready to Book YOUR AUDIOLOGY Appointment, our Care Team will follow up and book your appointment.
- Have more questions? Our Care Team will meet you where you are on your hearing journey and answer any questions.
- Call your HEALTH INSURANCE PROVIDER to verify hearing benefits. Our Care Team can also help you with that! If none, it's OKAY. Our Care Team will walk you through affordable options and help schedule you for a free hearing test.
- If hearing aids are recommended, please take action right away.
- Always make an appointment when your hearing changes or worsens.
- Visit songsforsound.org for information on hearing loss.

PLEASE CONSIDER A GIFT OF OF ANY SIZE to help us give those living with a disabling hearing loss the chance to live a full life because they can hear. We serve underserved veterans, children and seniors. We also conduct hearing missions for deaf children in Jamaica.

Visit songsforsound.org for more information!

The Hear the Music Project is supported by *The Boedecker Foundation, The Memorial Foundation and many donors who care about your hearing health.*

58% OF PEOPLE REFER TO AUDIOLOGIST AND ARE GETTING THE HELP THEY DESERVE

You have Healthy/Normal Hearing! Be a HEARO for a family member

SONGS for SOUND

Hearing Test Results: Normal Hearing

Your test results were **NORMAL HEARING** -you passed your hearing test. We encourage you to become a HEARO for someone you love. Here are signs of HEARING LOSS and HOW TO HELP!

1. They ask you to repeat things.
2. They cup their ear or look as if they don't understand you.
3. They turn up the TV to loud volumes.
4. They read your lips.
5. They may also complain of ringing in their ears.
6. They socially withdraw.

CHECKLIST to help your loved one:

- Gently ask them if they think they have trouble hearing and if you can help.
- Tell them about your wonderful experience at the Songs for Sound Hearing Clinic and how you learned about ways they can get quality hearing healthcare.
- Contact us at SongsForSound.org "Care Team". We can set up a time to talk!
- Help them check with their healthcare provider for a clinic covered by their insurance.
- Use "CLINIC FINDER" in the follow up email we sent you and find a reputable clinic close to home.
- SCHEDULE a HEARING TEST with an AUDIOLOGIST & go to the appointment with them!
- If they have hearing loss, encourage them to take ACTION by getting HEARING AIDS,

PLEASE CONSIDER A GIFT OF OF ANY SIZE to help us give those living with a disabling hearing loss the chance to live a full life because they can hear. We serve underserved veterans, children and seniors. We also conduct hearing missions for deaf children in Jamaica.
