

CARE TEAM IS "HEAR" TO HELP

**OUR CARE TEAM IS YOUR HEARING PARTNER
FOR A LIFETIME.**

AWARENESS & INFORMATION: Our Care Team will listen, empower and educate you before you head to an Audiologist. You are in control of your hearing journey.

YOU NEED THE RIGHT AUDIOLOGIST FOR YOU: Location, bedside manner and personalities need to be a good match for you.

AFFORDABILITY IS KEY. Our Care Team wants to help you review insurance and your budget to review the best plan including hearing technology in case they're recommended by your audiologist.

CONNECTION & COMMUNICATION is the key to you living your best life! Our Care Team will listen talk to you about your lifestyle and more. **OUR GOAL IS YOU LIVE YOUR BEST LIFE!**

Book an Audiologist. Give a child a hearing miracle.

Every time you book an appointment with an Audiologist, we are able to give free hearing tests and hearing aids to children all across America.

FIVE QUESTIONS TO ASK YOURSELF

1

What bothers me the most about my hearing loss?

2

What type of Audiologist do I want?

3

What are the things I want to hear the most? What do I miss?

4

What do I want out of a hearing aid?

5

Am I ready to take the next steps to live life to the fullest again?
